

CONSTRUCTION UPDATE

ACTIVITY

Installation of the 84-inch pipe

DURATION

December 16, 2019 through February 2020

LOCATION

On Fourth St between Technology Place and Archer Street

WHAT TO EXPECT

- Southbound lanes will be closed in the area of work. One northbound lane will remain open.
- Traffic control will be in place through the duration of work.
- At least one driveway access will be maintained for each business and/or complex.
- Detours will be in place to route drivers around the area of work.
- No parking signs will be posted and parking will be restricted.
- Temporary sewer service interruptions, which will be coordinated with affected services in advance.

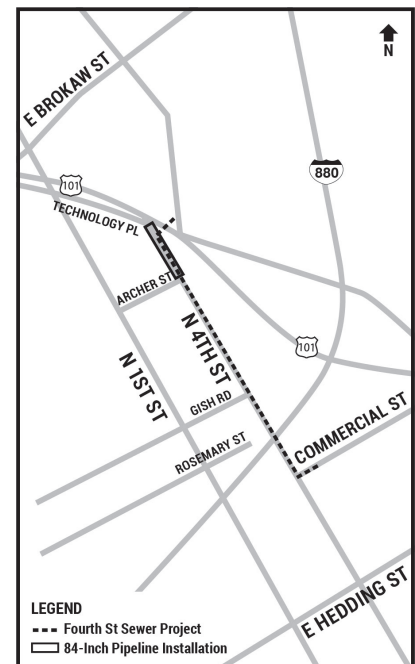

CONSTRUCTION HOURS

Monday – Friday

7:00am – 5:30pm

No work is anticipated on weekends, unless warranted.

All construction dates and times are subject to change due to weather and unforeseen conditions.
