

## CONSTRUCTION UPDATE

**Fourth St is now open for southbound through traffic.**

**Northbound traffic on Fourth St and eastbound traffic on Commercial St remain closed through Fall 2021.** These closures are necessary for pipe installation, temporary sewer bypass, utilities connections, and dewatering well construction.

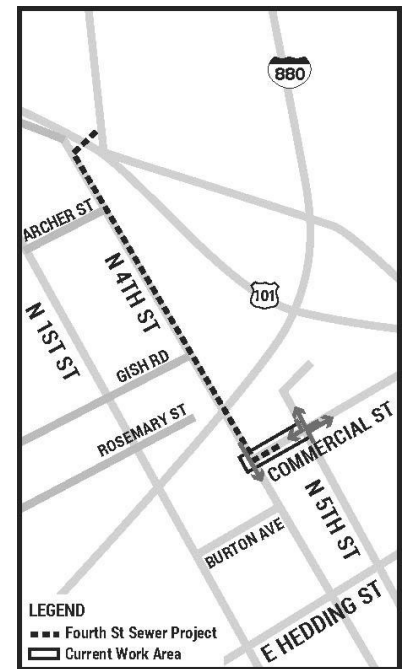

### WHAT TO EXPECT

1. No turns from Fourth St to Commercial St.
2. Right turns only from Firth St to Commercial St.
3. Traffic control will be in place.
4. At least one driveway access will be maintained for each property.
5. Detours will be in place to route drivers around the area of work.
6. No Parking signs will be posted and parking will be restricted.
7. Temporary sewer service interruptions, which will be coordinated with affected services ahead of time.

### CONSTRUCTION HOURS:

Construction will take place Monday through Friday, 7:00am to 5:30pm.

No work is anticipated on weekends, unless warranted.
